BETTER THAN CASH ALLIANCE

STATEMENT OF INTENT

Between the Better Than Cash Alliance and Vaka Consulting LLC

This Statement of Intent is concluded between the Better Than Cash Alliance ("BTCA"), based at the United Nations Development Programme, a subsidiary organ of the United Nations, an intergovernmental organization established by its Member States with its Headquarters in New York, NY (USA), and Vaka Consulting LLC. BTCA and Vaka Consulting LLC are hereinafter jointly referred to as the "Signatories".

The BTCA with a global presence in over 80 countries is a United Nations - based partnership of governments, companies, and international organizations that accelerates the transition from cash to responsible digital payments to help achieve the Sustainable Development Goals. Responsible digital payments are the foundation of a robust digital finance ecosystem—ensuring transparency, security, and financial inclusion.

Vaka Consulting LLC is a technology consulting firm who design and implement decentralised technology solutions that unlock social, environmental, and economic value. They combine enterprise architecture, blockchain innovation, and sustainable design to create practical, verifiable, and scalable systems that serve real human needs.

Purpose of Collaboration

The Signatories wish to cooperate in areas of mutual interest regarding the adoption and usage of responsible digital payments with a particular emphasis on vulnerable populations. The objective is to contribute to the United Nations Sustainable Development Goals through actions such as the development and implementation of initiatives regarding responsible digital payment and applicable public policy.

Conditions

Neither Signatories will be an agent, representative or joint partner of the other Signatory. Neither Signatory will enter into any contract nor commitment on behalf of the other Signatory and will be solely responsible for making all payments to and on behalf of its own account, as provided under this letter.

The Signatories recognize that the cooperative arrangements should be publicized and therefore agree to acknowledge the role and contribution of each organization in all public information documentation relating to instances of such cooperation and use each organization's name and emblem in documentation related to the cooperation in accordance with the current policies of each organization and subject to prior written agreement of each Signatory.

The Signatories will explore possibilities to enter into future collaboration in order to further expand their partnership. The Signatories recognize that this statement is strictly limited to the scope described above and does not entail any further commitments on either Signatory.
