FRAMEWORK AGREEMENT

Between:

Fondation Valery, a philanthropic venture partner based in Lausanne, Switzerland, represented by Mr. Yannick [redacted] Director and Edouard [redacted] Board Member
(hereinafter referred to as "Fondation Valery"),

and

Elk GMBH , a Swiss-based company registered in Geneva represented by Mr. Yoram [redacted] Director
(hereinafter referred to as "Elk Connect"),

and

Nozama Tech Ltd. (Plastiks.io), a company incorporated under the laws of Ireland, developer of the Plastiks blockchain traceability platform,
(hereinafter referred to as "Plastiks"),

Each a "Party" and collectively the "Parties".

1. Background

1.1 *Fondation Valery* is a philanthropic venture partner that empowers visionary entrepreneurs to transform bold ideas into scalable solutions, pioneering financial models that bridge the gap between traditional finance and philanthropy.

1.2 Following presentation of the project, Fondation Valery has expressed interest in financing its deployment.

1.3 *Elk GMBH*, a Swiss based company registered in Geneva, will act as the conduit for the financial transaction, receiving funds from Fondation Valery and disbursing them to Plastiks against a corresponding invoice.

2. Objective

The purpose of this Agreement is to establish the framework for the financing and deployment of the UNDP Armenia and El Salvador – Plastiks Blockchain Pilot, ensuring transparency, proper allocation of funds, and repayment terms.

3. Project Description

Project Title: UNDP – Plastiks Blockchain Traceability Pilots

Objective: Support transition toward EPR through blockchain traceability pilots.

Scope: Implementation of a traceability and certification system for plastic recovery using the Plastiks platform.

Mechanism: Generation of Plastic Credits linked to verified recovery, ensuring transparency for regulators, recyclers, and producers.

Impact: Establish a scalable model for EPR compliance and circular economy policy development.

4. Project Budget

Project Budget

Item	Description	Amount (€)
Landfill Operator Accreditation	One-time fee	[redacted]
Recovery Entity 1 Accreditation	One-time fee	[redacted]
Recovery Entity 2 Accreditation	One-time fee	[redacted]
Annual Licensing & Verification (3 entities)	[redacted] each	[redacted]
Project Management Fee	Plastiks project oversight	[redacted]
Total Project Cost		[redacted]

5. Financial Structure

5.1 *Funding Source*: Fondation Valery agrees to finance the total amount of [redacted] or the purpose of deploying the Project within UNDP Armenia and El Salvador.

5.2 *Intermediary Role*: Elk GMBH shall receive the [redacted] from Fondation Valery and subsequently disburse the same amount to Plastiks minus intermediation fees upon receipt of a valid invoice from Plastiks.

The fee amount will be 1% of transaction.

The fees will be paid by Plastiks.

5.3 *Beneficiary*: Plastiks shall be the beneficiary of the financing and shall utilize the funds exclusively for the implementation of the Project as described in Section 3.

5.4 *Oversight*: UNDP Armenia will sign off on each deliverable to ensure compliance of the financed activity.

5.5 *Plastic Credit Valuation Reference*: The market value of Plastic Credits issued under this framework shall be established at USD [redacted] per kilogram, consistent with the market references of credits purchased by Bayer Leverkusen, FC Barcelona, and other corporate clients.

6. Repayment and Guarantee

6.1 The financed amount of €[redacted] shall be reimbursed by Plastiks to Fondation Valery within three (3) years from the date of fund disbursement.

6.2 Plastiks shall act as the guarantor of repayment of the full principal amount and fees.

6.3 The annual interest rate of 5% shall accrue on the outstanding principal and shall be paid in Plastic Credits, calculated at the fixed market value of USD [redacted] per kilogram at the time of payment.

6.4 Repayment Source: Repayment of the principal and interest shall derive from 10% of the Plastic Credits generated and sold through the Plastiks platform under the UNDP Armenia, El Salvador and related projects. These credits are transferred to Fondation Valery as part of its participation and revenue share in the project.

6.5 Example of Repayment:

- To reimburse the financed amount of €[redacted], the equivalent of [redacted] kilograms of Plastic Credits shall be sold at USD [redacted] per kilogram.
- Since Fondation Valery receives [redacted]% of all Plastic Credits sold, the repayment will be achieved once approximately [redacted] kilograms ([redacted] tonnes) of total verified Plastic Credits are sold through the platform, from which Fondation Valery's 10% [redacted] allocation will generate the full repayment value.
- The [redacted] annual interest, payable in Plastic Credits, will be similarly derived from Fondation Valery's share, calculated based on the remaining outstanding balance each year.

6.6 Interest payments shall be made annually on the anniversary of the fund disbursement date.

6.7 ELK GMBH does not have any obligations regarding the repayment of the loan. ELK GMBH will provide the money transfer service for a fee.

6.8. Repayments, both in Euros and in Plastic Credits, will be made by Plastiks directly to Fondation Valery.

7. Plastic Credit Pricing and Allocation

7.1 The market value of Plastic Credits issued under this framework shall be USD [redacted]

per kilogram, consistent with references from credits purchased by Bayer Leverkusen, FC Barcelona, and other corporate clients.

7.2 In accordance with Plastiks' ISO 9001-certified methodology and standard, the value of each Plastic Credit is distributed as follows:

-> [redacted]% allocated to the funding and implementation of recovery and recycling roadmaps;
-> [redacted]% allocated to Plastiks for the use of its platform and verification of roadmap implementation.

7.3 Fondation Valery shall receive Plastic Credits generated from UNDP projects corresponding to the verified quantities of plastic recovered and recycled.

7.4 In the case of UNDP Armenia and El Salvador, once USD [redacted] worth of Plastic Credits ([redacted] kilograms) have been generated, such credits shall be transferred to Fondation Valery for ownership. Fondation Valery may sell or utilize these credits at its discretion.

The interest paid in Plastic Credits will be transferred to Fondation Valery annually based on the outstanding loan balance, and these can be sold or utilized by Fondation Valery.

The remainder of credits generated under the project will be managed and sold by Plastiks to repay the EUR-denominated principal.

7.5 When Fondation Valery sells such credits, a [redacted]% verification and platform fee shall apply. Fondation Valery shall additionally receive [redacted]% of all Plastiks revenues related to the sale of the Plastic Credits under this Agreement.

After interest is paid in Plastic Credits, Plastiks will sell Fondation Valery's remaining share for the purpose of principal reimbursement, and repayments should be made in cash (EUR).

Foundation Valery will not conduct direct credit sales.

8. Reporting and Oversight

8.1 Plastiks shall provide quarterly progress reports to Fondation Valery detailing project milestones, fund utilization, and impact metrics.

8.2 UNDP Armenia and El Salvador shall validate implementation milestones relevant to the pilot's progress and outcomes.

9. Duration

This Agreement shall enter into force on the date of its final signature and remain valid until the full repayment of the financed amount and interest obligations, unless terminated earlier by mutual consent.

10. Governing Law and Jurisdiction

This Agreement shall be governed by and construed in accordance with the laws of Switzerland, and any dispute arising hereunder shall be submitted to the competent courts of Lausanne, Switzerland.

11. Signatures

Signed in good faith on this 25th of November 2025.
